The Good Life, Unlimited

Dear Chamber Member,

The Clintonville Area Chamber of Commerce is updating our Shop Clintonville Club member benefit program! **Shop Clintonville Club** will benefit both yourself and your employees as well as support Clintonville’s business community.

Each participating Chamber member will offer FREE or DISCOUNTED products or services. Savings will be decided by the merchant and will be valid for one year (Aug 2010). These discounts will be published on a card (sized to fit wallets) and distributed by the Chamber to all members and their employees with a key tag. The key tag will slide onto a key ring and when presented, will entitle the bearer to the savings listed on the most recent discount card. The key tag must be presented at the time of purchase, and it will be clearly stated that all discounts cannot be combined with any other offer. There will be no charge for the key tags; it’s just another way for the Chamber to serve its members!

This program is designed to generate more business for Clintonville merchants. Success is eminent if the savings offered entice shoppers to stay in the Clintonville area. Please give thought to how you can create a savings offer that will do just that. If everyone works together to offer a quality program, people will be more likely to take advantage of it and shop in Clintonville.

Below you will find the application to become a participating member. Please complete and return to the Chamber by **July 31, 2009** to be included in the eighth edition of the program.

Thank you for your consideration,

Joanne Doornink
Executive Director
